

## EXECUTIVE ORDER

### TO GUARANTEE JOBS TO ALL AMERICANS

WHEREAS,

It is vital for our nation's future to create good jobs,

THEREFORE,

By the authority vested in me as President by the Constitution and the laws of the United States of America as the head of the executive branch, it is hereby ordered as follows:

#### **Section 1. Establishment and Purpose**

1. The American Job Center is established as a federal agency (hereafter also the "agency") under the U.S. Department of Commerce and Labor.
2. The agency's mission is to assist unemployed Americans, newcomers and other interested persons in finding quick and reliable jobs within NUSA.

#### **Section 2. Public-Private Partnership**

A public-private partnership is created under the American Job Center. Private entities, including businesses, NGOs and others, may request to participate in the American Job Center program. Businesses that participate will be able to contact and employ applicants. The agency will issue directives on the enforcement of this section, creating procedures and rules on the matter. Businesses will have their own sections.

#### **Section 3. Agency Leadership**

1. The agency functions under the authority of the President of the United States and the Secretary of Commerce and Labor. There shall be a Director, a Deputy Director and a board of members in charge of the day-to-day operations of the agency, appointed and dismissed by the President of the United States in consultation with the Secretary of Commerce and Labor.
2. The Director, the Deputy Director and the board shall oversee the functioning of the agency in order to ensure Americans get employed quickly, and that the purpose of the agency is fulfilled efficiently.

#### **Section 4. Participation of Federal Departments, Agencies and the Military**

1. All federal executive departments, agencies and the armed forces are hereby placed as employers under the American Job Center.
2. Departments, agencies and military branches are mandated to hire personnel for human resources and employment, preferably in the form of a team led by a Director of Human Resources or an equivalent position.
3. Heads of departments, agencies and military branches, as well as their human resources and employment teams, will be given the appropriate access to be able to see applications. These teams will be responsible for contacting and employing applicants, upon review of applications.

#### **Section 5. Types of Applications**

1. here are two types of applications:
  - a. Targeted applications; and
  - b. Universal applications.
2. Targeted applications can be made by applicants directly for a specific department, agency or the military. Applicants can directly request employment to a targeted federal entity of their choice, such as a department they wish to work in.
3. Universal applications will send the applicant's employment request to every employer, including all the departments, agencies and the military.

#### **Section 6. Game and Server**

The applications game is developed by the President of the United States. Applications are logged and automatically sent to departments, agencies, military branches and businesses, who are then responsible for contacting applicants. The agency can review the efficiency of the teams that contact applicants, to ensure qualified applicants get their jobs quickly.
