## A BILL

To establish clear regulations for the usage of all public vehicles, ensuring responsible and authorized use of federally owned transportation assets.

*Be it enacted by the Senate and House of Representatives of the United States in Congress Assembled.*

### SECTION 1: GENERAL PROVISIONS

- a) This Act may be cited as the "Public Vehicle Usage Regulation Act."
- b) This Act shall be severable, meaning that if any word, phrase, line, sentence, or provision of this Act, or its application to any person or circumstance, is found invalid, the remainder of the Act shall remain in effect.
- c) This Act shall not be superseded by any newer law unless such law explicitly states its intent to override this Act.

- d) Any provision in a pre-existing act, joint resolution, or codified law that conflicts with this Act shall be rendered null and void.
- e) "Public vehicles" shall refer to all federally owned transportation assets, including but not limited to:
  - i) Ground vehicles (e.g., police cruisers, military jeeps, emergency response units).
  - ii) Airborne vehicles (e.g., helicopters, aircrafts).
  - iii) Waterborne vehicles (e.g., boats, patrol vessels).
  - iv) Any other mode of transportation under federal jurisdiction.

## SECTION 2: USAGE REGULATIONS

- a) Public vehicles shall only be operated by **authorized personnel**, as designated by the relevant federal agency.
- b) Usage of public vehicles shall be limited to **official duties** and shall not be utilized for personal, recreational, or unauthorized purposes.
- c) Each department or agency in charge of federal vehicles shall establish **clear guidelines** on:
  - i) Who is authorized to operate specific vehicles.
  - ii) Under what circumstances they may be used.
  - iii) What locations they may travel to and operate within.
  - iv) Unauthorized operation or misuse of public vehicles shall be subject to **strict penalties** as outlined in Section 4.

## SECTION 4: PENALTIES FOR MISUSE

- a) Any unauthorized or improper use of public vehicles shall result in:
  - i) **First offense:** A formal warning and mandatory retraining.
  - ii) **Second offense:** Temporary suspension of vehicle operation privileges and potential monetary fines.

- iii) **Third offense or severe misuse:** Permanent revocation of authorization, possible legal action, and additional disciplinary measures as determined by the overseeing agency.
- b) In cases where misuse results in **damage to property, injuries, or loss of life**, the responsible party shall be subject to **criminal liability** under federal law.

## **SECTION 5: IMPLEMENTATION AND ENFORCEMENT**

- a) Each federal department or agency shall implement this Act within **14 days** of its passage.
- b) Each federal department and agency shall implement the necessary internal regulations to ensure compliance with these regulations. As a minimum, these shall include:
  - a) A named individual to investigate any misuses of public vehicles.
  - b) Usage regulations per Section 2.
