

THE WHITE HOUSE
WASHINGTON

EXECUTIVE ORDER 37-06

- - - - -

Shutdown of the Special Weapons and Tactics and
Federal Protection Service.

By the authority vested in me as President by the
Constitution and the laws of the United States of
America, and in order to ensure national security in
our cities it is hereby ordered as follows:

Section 1. My thoughts

- (a) When I became President I inherited a dead
executive branch. I made it my goal to revive
agencies such as the Bureau of Prisons and
Federal Protection Services. While our nation is
suffering from an inactivity crisis I was able to
successfully reboot both these agencies, now the
Bureau of Prisons is one of if not the most
active executive agency.

Section 2. Reasonings

- (a) However reasons out of my control at the end of my Presidency have forced me to change drastically on my policy of agency revival. Due to rampant admin abuse attacks and mass resignations due in part to the new administrations values and goals and not ample amount of time in my Presidency to address and fix these issues I've been forced to act.

Section 3. Shut Down and transfer

- (a) I hereby shut down the Federal Protection Services and Special Weapons and Tactics teams.
- (b) All employees of both agencies will be transferred by the office of the Secretary of Homeland Security to the HomeLand Security federal agency.
