Notable Figure Requirements

Community Members,

We have adjusted our requirements for Notable Figure in the group and discord. This is to ensure that our Notable Figure roles remain small and for the most deserving in the community. If you qualify, please file a ticket in the Community Center Discord with proper evidence and we will promote you.

The requirements now are a total of **one month (30 days)** within the following positions:

- President of the United States / Vice President of the United States
- Speaker of the House / President Pro Tempore
- Chief Justice / Supreme Court Justices
- Group Management
- Mayor

If you are unsure if you meet the requirements please read our to our NARA contact to see if we have any records of you being in office. If you have barely missed the requirement by less than two days you can file a ticket within the Community Center Discord to see if an exception will be made. Exceptions will be a **case-by-case** decision.

Thank You,

**Senior Group Management
Community Outreach**
