## City Council

### Ordinance No. 29-0001

Introduced by: Councilman ElijahJunaid

An ordinance for an Act entitled: "Janitors of DC Act"

---

AN ACT to establish a Janitors Office under the municipal government of the District of Columbia, distinct from civil offices, tasked with overseeing sanitation and maintenance of public facilities. The office shall be headed by an appointed Head Janitor, jsjsjbsd, who shall serve forever unless removed by a two-thirds vote of the City Council. In the event of removal, a new Head Janitor must be confirmed by the full Council.

---

#### Section 1 – Establishment of the Janitors Office

- a. There is hereby created a Janitors Office under the municipal government of the District of Columbia. This office shall not be considered a civil office and shall operate independently from other administrative departments. Its primary function shall be to manage, coordinate, and execute janitorial services across all municipally owned properties, including but not limited to government buildings, public parks, and transit stations.
- b. The Janitors Office shall be allocated appropriate funding through the municipal budget and shall have authority to hire staff, procure supplies, and

contract services necessary to fulfill its mandate. Oversight and performance reviews shall be conducted annually by a subcommittee of the City Council.

## Section 2 – Appointment and Removal

- a. The Janitors Office shall be headed by a Head Janitor, initially appointed as jsjsjbsd. The Head Janitor shall serve indefinitely unless impeached by a two-thirds majority vote of the City Council. Grounds for impeachment may include gross negligence, misconduct, or failure to uphold the responsibilities of the office.
- b. In the event of impeachment or voluntary resignation, the appointment of a new Head Janitor shall require full approval by the entire City Council. The new appointee must demonstrate relevant experience in facilities management, public service, or organizational leadership.
- c. The Head Janitor shall report monthly to the Council and maintain transparency in operations, budgeting, and personnel decisions.

## Section 3 – DC3 Release

- a. Upon the official release of DC3, a team designated as “DC Janitors” shall be formally established. This team shall represent the Janitors Office of the District of Columbia and shall be equipped with tools and resources consistent with the duties of municipal janitorial staff.
- b. Members of the DC Janitors team shall be equipped with tools and resources appropriate to their responsibilities, including but not limited to cleaning instruments, maintenance gear, and access to designated service areas. The team shall operate under principles of order, cleanliness, and operational efficiency.
