

**UNITED STATES CODE TIME CONVERSION ACT****AN ACT**

To reinstate the previous time conversion in place before the Law Reset of 2023 and to ensure better uniformity and applicability of the US Code to ROBLOX.

**INTRODUCED BY**

MR. COASTBREEZE of the great state of California introduced this bill on 27 July 2024 (for himself and VICE PRESIDENT CABOT which was later referred to the Committee on Government Affairs.

**Be it enacted by the Senate and House of Representatives of the United States of America  
in Congress assembled—**

**TITLE I – GENERAL PROVISIONS****Section 101. Short Title.**

- (a) This Act shall be referred to as the ‘United States Code Time Conversion Act of 2024’ or the ‘US Code Time Conversion Act’ as its short title.

**Section 102. Enforcement and Severability.**

- (a) This Act remains ‘severable’ in accordance with the severability doctrine maintained and developed by the courts of the United States.
- (b) This Act shall come into effect immediately upon proper constitutionally recognized promulgation.

**TITLE II – TIME CONVERSION REINSTATED****Section 201. Time Conversion.**

- (a) The period of one (1) year as stated, relied upon and referred to in the United States Code shall translate into 1.5 months or forty five (45) days when applied to ROBLOX.

**Section 202. Implications and Consequences.**

- (a) This provision shall not have the purpose of reinstating time conversions if the Congress of the United States shall have explicitly or implicitly replaced or diverged from the previously established time period in the US Code.
- (b) The Tribunal of Statutory Compatibility as established in the Statutory Harmony and Compatibility Consistency Act of 2024 shall have original jurisdiction over all disputes relating to the application of the time conversion in this Act.
